ANDREW **KAMINSKI**

Columbus, OH 43201 · (937)-657-1834 · andy.kaminski42@gmail.com
LinkedIn: linkedin.com/in/andrewkaminski214 · Github: github.com/AndrewKamSki
Portfolio: andrewkamski.github.io/React-Portfolio/

Solutions-Driven Full-Stack Developer applying coding & engineering background and strong technical skillset toward building functional and innovative web applications. Earned Full- Stack Web Development certificate with the Ohio State University. Skilled in HTML5, CSS, JavaScript, Express, Node.js, and MySQL. Strengths lie in performing in deadline-driven environments, working cross-functionally within a team, and communicating clearly and effectively. Works well in problem-solving and collaborating with project teams and leadership while balancing critical thinking and creative skills to deliver success.

TECHNICAL SKILLS

- HTML / CSS/ JavaScript ES6+
- SQL / MongoDB
- ExpressJS / NodeJS
- Python
- React – MERN Stack
- Git / GitHub
